**What I Believe about God:**

**I believe that God is the creator of the world. He does great things for the earth. I believe I can trust Him with anything.**

**What I believe about Jesus:**

**Jesus is our savior. Jesus teaches us to be kind and helpful. Jesus has died on the cross for our sins.**

**What I believe about the Holy Spirit:**

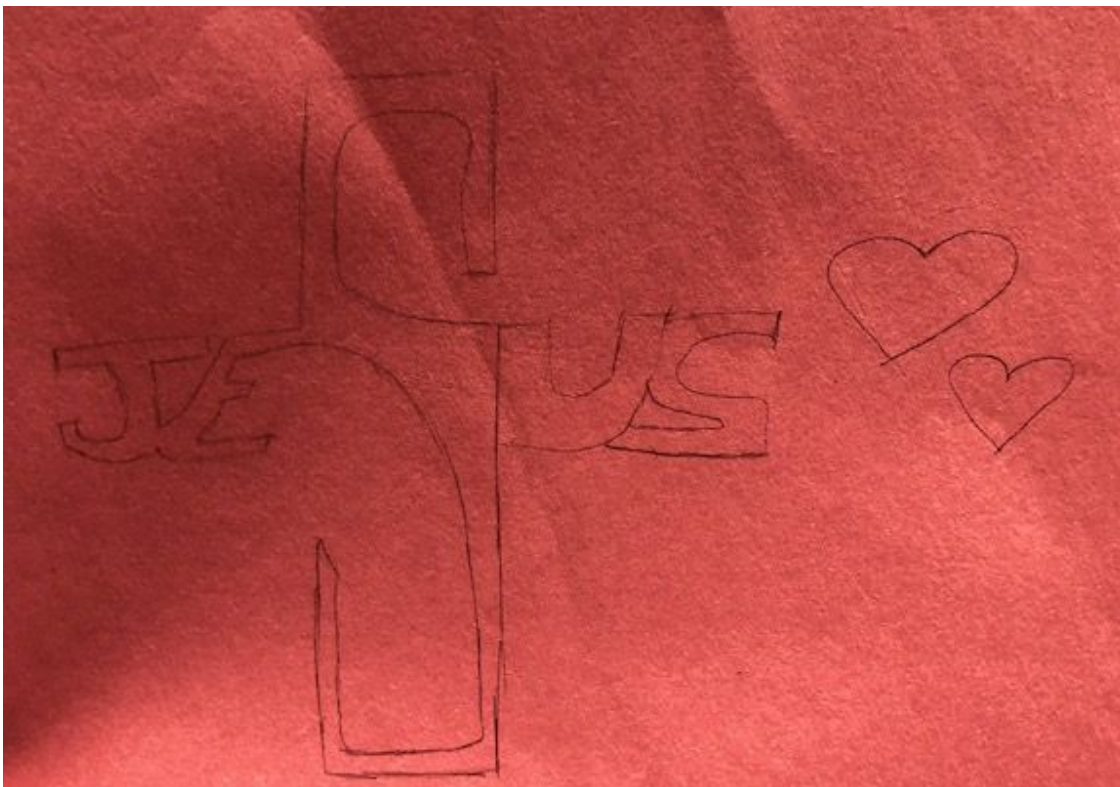

**The Holy Spirit is an eternal feeling that lets you know that Jesus is with you.**

**Father, Son, Holy Spirit!**

**- Ryleigh Schafer**

I believe God is like a watcher. He watches over everybody on a day to day basis. He listens to our prayers and helps influence our decisions. When we are in need, He reaches out to us, letting us know that everything will be okay. You can only know God if you believe. You can feel his presence and how he calls your name.

I believe Jesus is our Savior. He died on the cross for us. He taught us faith makes you whole and your attitude towards faith helps you believe.

- Hailee Hard

I believe in God, our everlasting savior, the creator of existence. God is forgiving...God is loving...God is always present. It's not a matter of if God lets you in, but a matter of if you let God in. In a world that can be so cold and cruel, you start to realize you're never alone with God by your side.

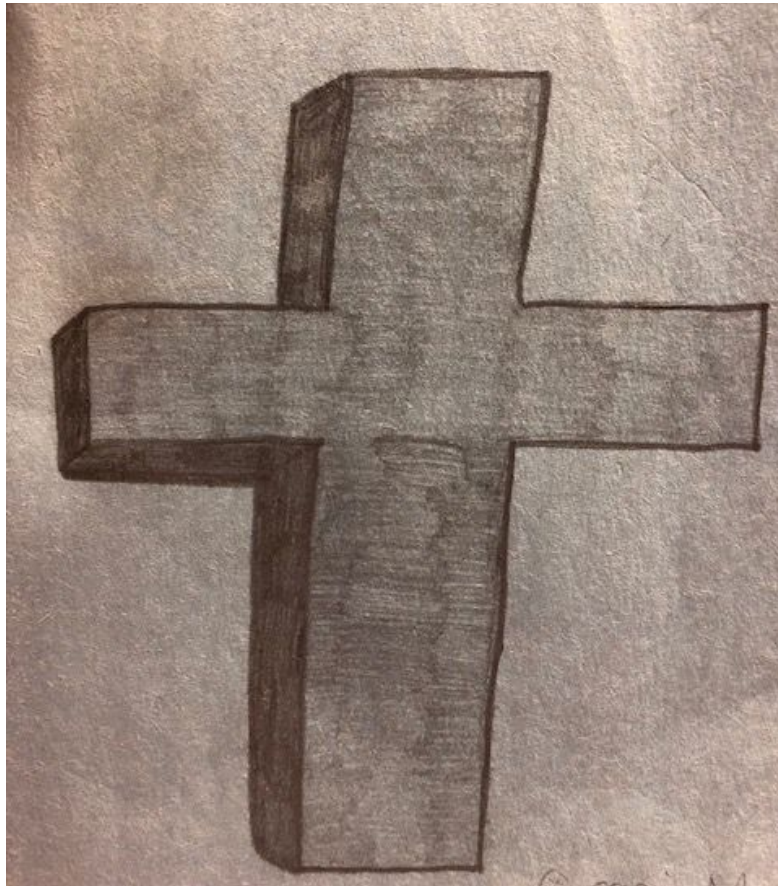

- Tabitha Algren

What is God like? God is like my parents. They both made me.

What is Jesus like? Jesus is like me. He was made like I was.

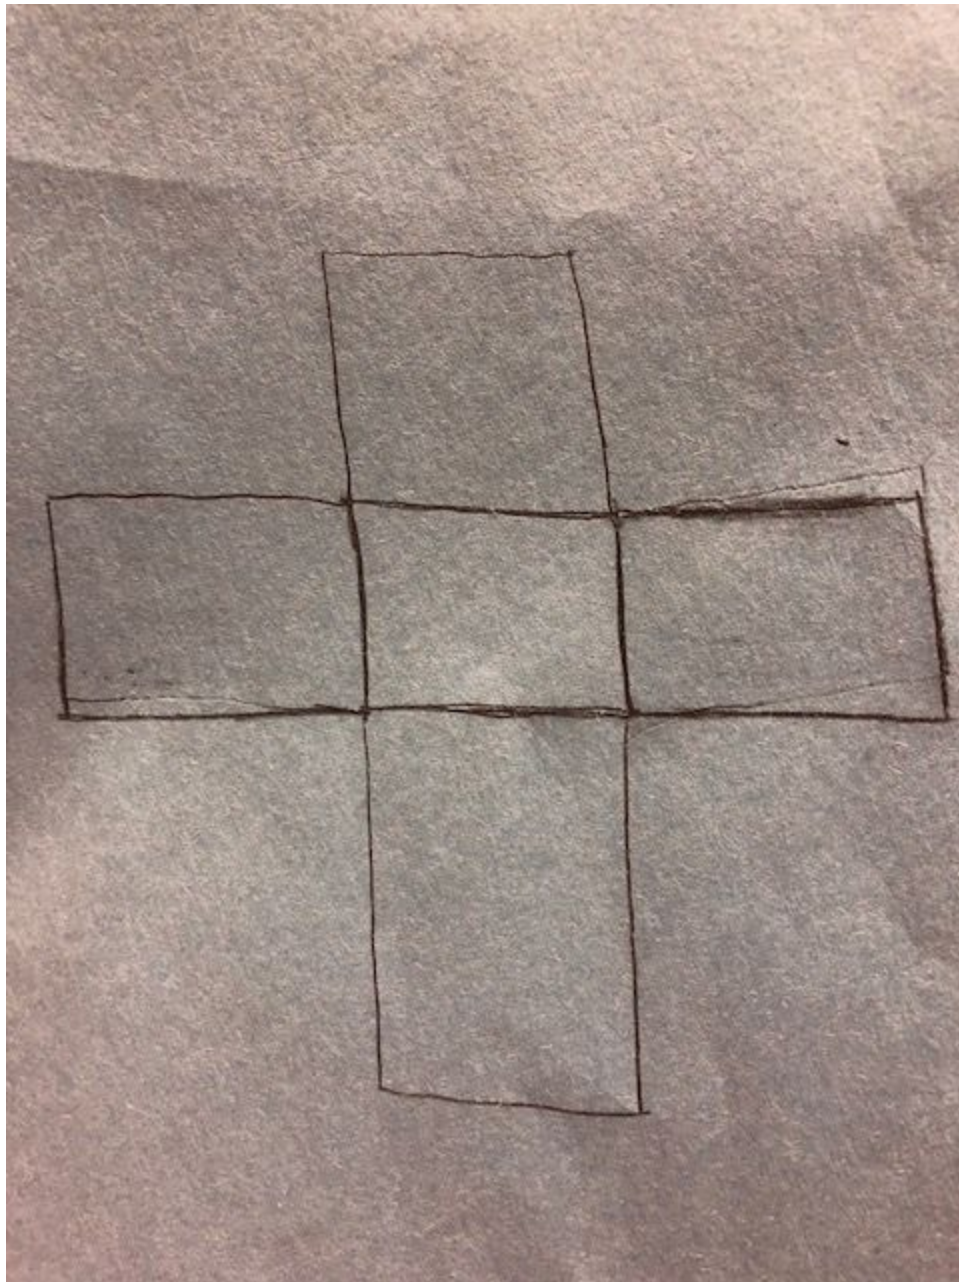

What is the Holy Spirit like? A reminder that we have peace from the Father.

What is the church? The church is Christ's body of chosen people.

- Graci Murphy

I believe in God the Father, creator of the earth. And Jesus died for our sins. He's like my family. If it wasn't for Him, I wouldn't be here. We wouldn't be here. To me, the church is like my family. I don't know what I would do without them. I believe we are baptized into the life of Jesus.

- Alec Hard

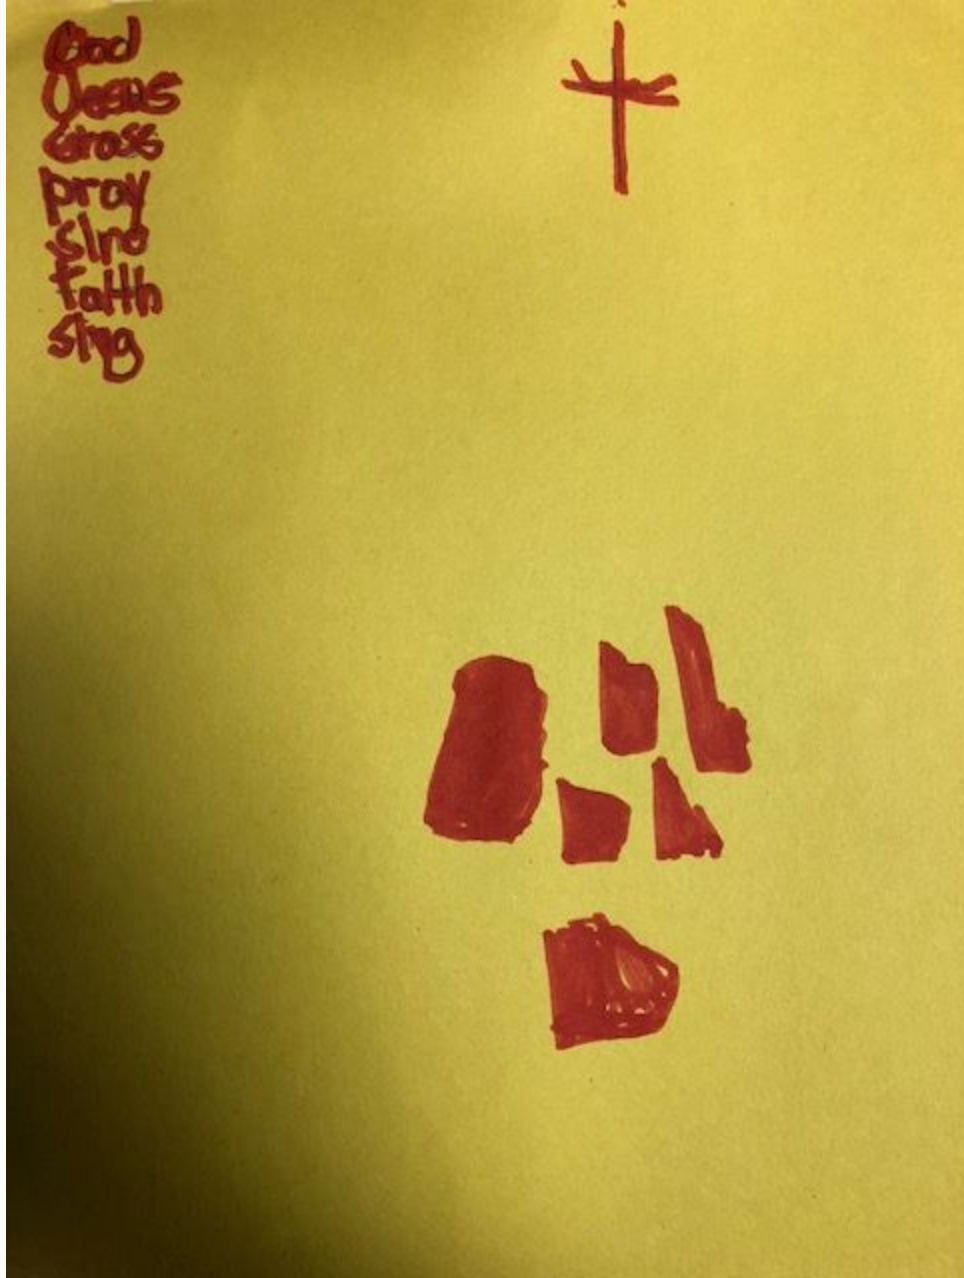

**GOD:** God to me is like my mom. She cares for ones she loves and also dislikes.

**SON:** The Son, to me, like Mrs. Slone. She makes learning the WORD fun for all of us. In my opinion, she is like the Son with the WORD at hand.

**HOLY SPIRIT:** The Holy Spirit, to me, is my family. Even when they are not next to me, they are always with me.

- Brynach Simpson

God is like a frog because we hear His word loud and clear but we don't see Him.

Jesus is like the sun because, on the good days, we feel his love but on the dark days, it's harder to feel. But we always know no matter how dark, he is always there and we will feel his love again.
